

## NEWS FROM KAMIC GROUP

1 December 2021

### Johan Karlsson new Head of Installation & Lighting business area

Johan Karlsson has been appointed as the new Head of the Installation & Lighting business area in KAMIC Group and Amplex from 1 December 2021. Johan comes from the position of Managing Director of Leica Geosystem and Svensk Byggnadsgeodesi, both companies in the Hexagon Group. Previously Johan worked at Scania for many years where among other roles he was responsible for sales in Sweden and ran retail operations in Belgium and Luxembourg.

“It feels very good to welcome Johan to our management group. Johan brings with him energy, skills and valuable leadership experience from his already long and successful career, something that we will greatly benefit from in our groups’ future development and expansion,” says Fredrik Celsing, President and CEO at KAMIC Group, Amplex and Mindelon.

Johan Karlsson is succeeding Lars Åleby who will leave the KAMIC sphere to take up a senior position at Dacke Industri AB.

“Lars has worked for the KAMIC and Amplex for 17 years in different senior positions and has very significantly contributed to our Groups’ development during these years. Lars has always been a top performer and I would like to thank him for all of his valuable efforts and at the same time wish him the best of luck in his ongoing career,” says Fredrik Celsing.
