Peter Johansson new Business Area Manager for Installation & Lighting

We are pleased to announce that Peter Johansson has been appointed as Head of the Installation & Lighting business area. Peter joins KAMIC Group and Amplex from the position of Director of the civil engineering division within the Swedish distribution group Dahl Sverige AB, where he led an organisation with around 100 employees. Peter has worked within the Dahl Group since 2015 and has previously held positions as Business Area Manager Industry and Category Manager.

Peter Johansson is 50 years old and lives with his family in Bromma, Stockholm. In addition to work and family, Peter likes running and he also coaches a girls' football team.

Peter will start his position in KAMIC Group and Amplex on 2 May at the latest.

Fredrik Celsing, President and CEO of KAMIC Group, Amplex & Mindelon, comments on the recruitment: 'We are delighted to welcome Peter as Business Area Manager and new member of the Group Management. Peter brings energy, expertise and valuable leadership experience from his already long and successful career, which will be of great benefit to us in the future development and expansion of our groups.'

Peter Johansson succeeds Johan Karlsson who is leaving the KAMIC and Amplex sphere to continue his career as CEO of Opima, a group of companies in the Nordic manufacturing industry.

'Johan has been a highly appreciated leader within KAMIC Group and Amplex and has, with his business drive and motivating leadership, made a valuable contribution to the positive development of both groups. I would like to thank Johan for his valuable contributions to us and wish him all the best in his future career,' says Fredrik Celsing.

KAMIC Group (www.kamicgroup.com) is a privately owned Swedish corporate group that acquires, owns and develops technology companies in selected niches. The group currently includes some 50 companies active in both trade and manufacturing. Together, we have around 1,700 employees in 16 countries in Europe, Asia and North America and an annual turnover of approximately SEK 4.4 billion. Our customers are mainly in the manufacturing industry but also among electrical contractors and construction companies.

We strive to grow as a group and expand both organically and through acquisitions. As owner, we act in the long term and with great confidence in the companies' own competence to run and develop their operations.

KAMIC Group has two sister groups – Amplex and Mindelon – with which we share, in all significant aspects, our business model and values. KAMIC Group also shares several management functions with its sister groups. For more information on our sister groups, please visit amplexab.se or mindelon.com.
